Music Instructors: Please check the ONE category that best describes this student's ability:

- Outstanding ability - with solo experience etc.
- Excellent - with limited solo experience. Has had school chorus or church choir experience.
- Much above average. Has excellent voice but little or no solo experience.
- Has average voice with fair music reading ability.
- Sings in our choir but has some difficulty learning to sing parts accurately.
- Has much difficulty learning to sing parts accurately.

The above rating is an accurate reflection of the student's singing/musical ability and I agree to personally see the music is thoroughly learned before the State FFA Convention.
