

Ag Mech Update 1

See Dr. Schumacher's website for materials

<http://web.missouri.edu/~schumacher/statecon.html>

- No Team Activity
- 100 Question test with the additional questions to include math problems (samples on website)
- Skill Areas for 2021 on the website above
- There will be additional tools/supplies that each student will need to bring in their bucket. These additions are necessary to minimize sanitation needed between rotations. This list will be out by February 18th and will be on Dr. Schumacher's page and included in an additional update.
- Equipment list for the state event is on the website. If more specific information becomes available, it will be shared.

If you have additional questions, please contact Dr. John Tummons (tummonsj@missouri.edu) or Colleen Abbott (abbottcm@missouri.edu)
