

## Dairy Cattle Update 1

Dairy Cattle will include a genomics class. This is additional information for that class.

- Genomics will be Class 6 on the scantron.
- Resource for this portion is the Pedigree Question & Answers Workbook from the Holstein Foundation  
[http://www.holsteinfoundation.org/pdf\\_doc/workbooks/Pedigree\\_Workbook.pdf](http://www.holsteinfoundation.org/pdf_doc/workbooks/Pedigree_Workbook.pdf)
- Sample pedigree can be found at:  
<https://www.tarleton.edu/agservices/documents/cdetest/2006%20TSU%20Invitational%20Pedigree.pdf>

If you have additional questions, please contact Colleen Abbott
