

## My Definition

**“As FFA members, we don’t just have the ability to lead, we have the capacity to do it!”**

1. What does the quote above mean to you?
2. Give a tangible example of your capacity to lead.
3. Why is leadership important to you? In what ways are you a leader?
4. How can you use your strengths, favorite activities, and “I am. . .” statement to create your own definition of leadership?

**To me, leadership is . . .**
