

What is the name of the FFA member featured in the video you chose?
Where are they from?

Which award was that FFA member recognized for (i.e. American Star in Agriscience, American Star Farmer, etc.)?

SAE

Jot down a brief description of the FFA member's SAE project featured in the video you watched.

Record 5 outstanding practices you observed from the FFA member's SAE project video in the space below.

Think about your own SAE project. What differences or similarities do you see between your SAE project and the SAE featured in the video?

How can you employ the outstanding practices you observed above to strengthen your own SAE project?
