

To all FFA Advisors:

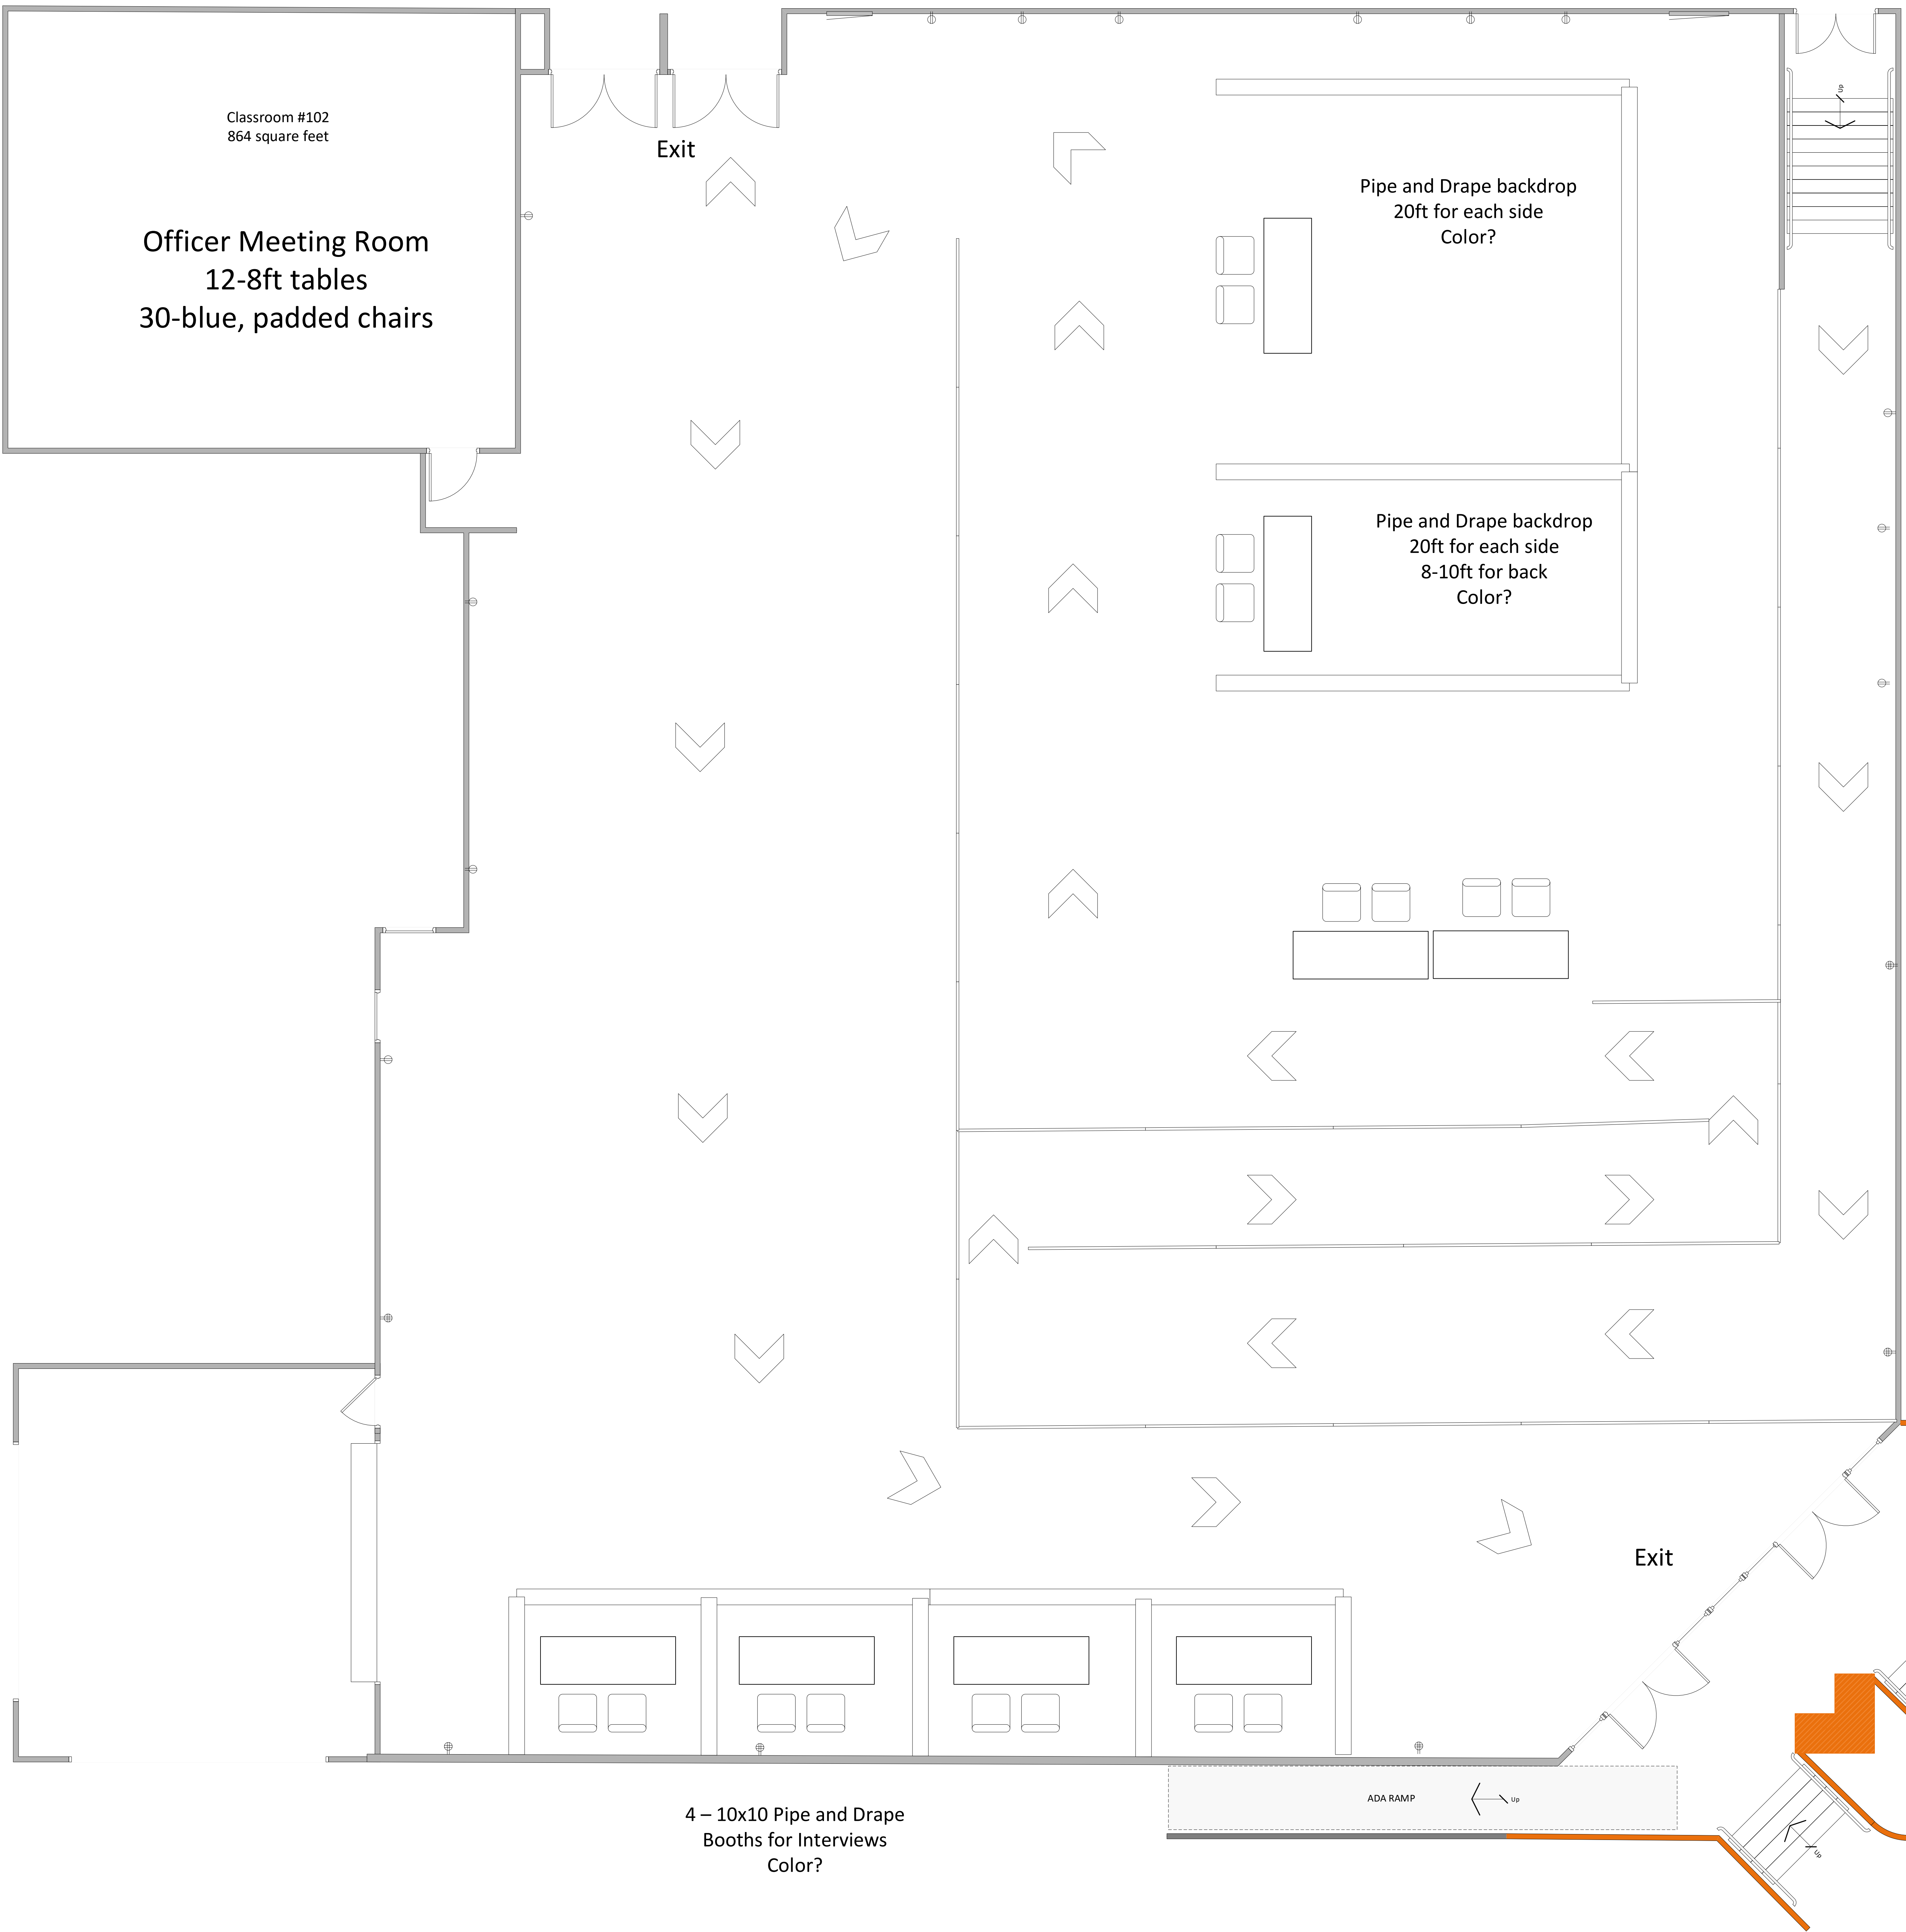

The 2021 Missouri FFA State Convention is just around the corner. Donald Jagger Photography is back for our eighteenth year, and we will be photographing your members and groups for your purchase, and for publicity in Missouri FFA news releases. In order to make your photography experience at the convention a smooth operation, **we are suggesting all advisors notify their members and families** of the following information to make the photography sessions faster and easier. You might copy this information form and send it home with your students who plan to attend FFA Convention this year.

- ADVISORS, please have **all group members** that are to be photographed present so other groups do not have to wait.
- The press room will have press **identification information sheets** to be filled out with award winner's names and chapters. ***Please complete the press information while waiting to be photographed.*** FOR GROUPS OF MORE THAN TWO, PLEASE **DO NOT** LIST NAMES IN ROWS FROM LEFT TO RIGHT OR OTHER ORDER AS THE PHOTOGRAPHER MAY REARRANGE INDIVIDUALS FOR A BETTER PHOTOGRAPH.
- Prices for this year's photography will be: 1-8x10- \$25.00, 1-5x7- \$15.00. You may add 8 wallets for \$10.00 and/or 2-4x5's of same photograph for \$15.00 to any order. Due to requests by some chapters, 10x13 photographs are available for \$45.00. (Some Chapters and Schools are creating a "Wall of Fame" for FFA members similar to sports displays).
- Please have **cash, checks**, US issued Visa, MasterCard, American Express, and Discover Cards, available when placing order.
- **Jagger Photography will NOT be billing chapters or schools, unless a Purchase Order is provided during Convention.**
- Payments are due when ordering.
- We will be shipping all orders within 2 weeks following the close of the 2021 FFA convention.
- Unless noted on your order form, all photographs will be shipped to the FFA chapter or School Business Office. Please have the proper Chapter name and address on all order forms.
- **FFA photography will be available for online purchase via the Internet this year through June 1, 2021.** Please visit **www.jaggerphotography.zenfolio.com** after May 3<sup>rd</sup> to view and order 2021 FFA Missouri State Convention photographs. Note that internet order prices will be higher than in-person orders at Convention.

Thank you!! Looking forward to seeing you at the 2021 Missouri State FFA Convention in Sedalia, MO!
