agricultural
education
students in
Missouri

OUR VISION:

Agricultural education envisions a world where all people value and understand the vital role of agriculture and natural resources in advancing personal and global well-being.

5 FAST FACTS:

- **365** —Missouri high schools, career centers and community colleges offering agriculture classes.
- **5,563** —high school agriculture graduates in 2024 with **63% pursuing agriculture as a career.**
- **\$76,490,918** —2024 Total SAE-generated state-wide labor income.
- **95.3%** —Missouri ag education graduates placed in some way after high school.
- **26,828 FFA Members**
17,207 Middle School Students
3,117 Postsecondary Students
3,100 Adult Students
—individuals served through agricultural education-related programs in Missouri.

SCHOOL-BASED AGRICULTURAL EDUCATION

INTERACTIVE CLASSROOM

Students explore natural and social sciences, entrepreneurship and other careers through a classroom, greenhouse, laboratory or outdoor setting.

SUPERVISED AGRICULTURAL EXPERIENCE (SAE)

SAEs enhance student experience and allow for classroom application. Unique to each student, SAEs are personalized learning and based on career interests and aspirations.

LEADERSHIP DEVELOPMENT

Organizations like FFA, PAS, Young Farmers/Young Farm Wives and MVATA promote personal skill development.

DID YOU KNOW?

Missouri agriculture contributes **\$93.7** billion annually to the state's economy, accounting for **456,618** jobs.
